Important Notice to all Local 2 Marble Tile Terrazzo members:

A special called meeting was held on July 20th 2023 to discuss the future of the RRSP contributions those members in attendance voted on re allocating the .90 cents/hour contribution to the pension plan as of January 1 2024. This mean no more contributions will be made to your RRSP accounts from your employers as those funds will now be going into the pension plan. These are self-directed RRSP accounts with RBC you do not need to close the account or move the money and if you decide to you can keep contributing to the RRSP personally we advise you to call RBC to see your options moving forward.
