Global Benefits- Global benefits has launched an app for your smart phone and have also launched a website for the members convenience when filing claims. Your claims can be processed and deposited back in your account within 48 hours of the claim being submitted. The membership may also access their pension statements, contribution records, and claims history. Members can also update their address and personal info from the global website. This was introduced by the Trustees in late 2019 in the hopes that it would make your claims experience quick easy and more stream lined service. For those that would like to sign up with Global online and through the app can do so by downloading the app on their smart phone or by visiting the website. www.globalben.com

E-Transfer- The Local has set up online transfer for members to be able to pay their dues without leaving work early or showing up late. The Executive board initiated this after receiving many inquiries from the membership about the convinces of being able to transfer their dues without losing any hours from work. All transfers will be processed by Sharon and receipts mailed to the member to confirm the date their dues are paid up until. Please make sure when sending an E-transfer to put your name in the memo section so we can apply the dues correctly. If anyone has any questions or concerns feel free to call the office and speak with one of the office staff. The email address for the E-transfer is as follows:
